Ref 071 – VW/KP

6<sup>th</sup> January 2021

Dear Parents / Carers

As we enter another lockdown, here is an update to inform you of the remote learning that will be provided. Children will be provided with a range of Maths, English and Topic activities. The activities will be made available via Google classroom and through a learning pack that will be made available as an alternative. Teaching staff and the Head Teacher will be available during normal school hours and will aim to answer any questions in a timely fashion as usual.

### Accessing Google Classroom

We will be sharing a Facebook post from one of our ex Year 6 pupils who helped with access to google classroom during the first lockdown in March 2020.

If your child is in year 3 or below your username for Google classroom will be [surname.firstinitial@lillingtonschool.org](mailto:surname.firstinitial@lillingtonschool.org) (e.g. [bloggs.j@lillingtonschool.org](mailto:bloggs.j@lillingtonschool.org))

If your child is in year 4 or above it will be [surnamefirstinitial@lillingtonschool.org](mailto:surnamefirstinitial@lillingtonschool.org) (e.g. [bloggsj@lillingtonschool.org](mailto:bloggsj@lillingtonschool.org))

Your child will also require a password which will be sent to you in a separate email.

When your child logs into google classroom they will automatically be invited to enrol in the class page.

Kind Regards

*V Wallace*

Mrs Wallace

Head Teacher
