Head Teacher to Home – 13th May What has happened in school this week?

Welcome to our weekly newsletter and what a week it has been. Firstly I would like to say congratulations to all of the Year 6 children for completing their SATS this week. I have been extremely proud of their resilience and attitude towards the week, they have shown how committed they are to their learning and have all tried their absolute hardest every day.

WELL DONE YEAR 6!

Thank you to all those parents that attended parents' evening last week, it is really important that you are able to make these online meetings so teachers can share how your child/children are progressing with their learning and what support you can give at home.

Remember we have our Jubilee event on Friday 27th May from 2.30-4.30pm, I am looking forward to seeing lots of you there, also the PTFA are organising our non school uniform and collections for the Summer fete on this day too. Look out of further posts from them.

Have a lovely weekend
