## Head Teacher to Home – 7th October What has happened in school this week?

Welcome to our weekly newsletter, where has the first half of the Autumn term gone?

This week has flown by, and the children have been enjoying, as always, lots of fun learning and experiences.

Look at King class post and you will see how exciting their science was this week.

In the next 2 weeks we will be sending out information about parents evening, these will be online as before and so please make sure you sign up, this appointment will give you the opportunity to meet your child's class teacher and find out how they have settled into the new school year.

## Head Teacher to Home – 7th October What has happened in school this week?

Today, Matt Weston the local MP visited Lillington. He joined us all for our Friday celebration assembly and got to have a tour of the school. The children were able to make suggestions for Matt to ask the Prime Minister in parliament this week, there were some thoughtful questions related to climate change, the current cost of living crisis and even if the Prime Minister likes tea! Matt was extremely impressed with how much Lillington has changed over the last few years and how excited and dedicated the children are with their learning.

We may even take him up on his offer to visit parliament...

## Head Teacher to Home - 7th October What has happened in school this week?

This week, Year 3 have been designing a healthy sandwich. They considered the Eatwell Guide and the 5 main food groups when choosing their ingredients. Surprisingly, the children mostly managed to steer away from the less healthy choices (even if it would be delicious)! They are looking forward to making their healthy lunch next week.

## Head Teacher to Home - 7th October What has happened in school this week?

Year 4 have enjoyed writing their own  
Defeating the Monster stories.

Since time began a Phoenix Named Dora  
has been both in Australia but they  
they were raising so much fun everyday  
See each other Taina was the story at  
well she likes so nice.

... there was another kind  
of powerful looking fairies... called  
FAIRYS!!! They roamed and ruled the  
land even longer ago. But no  
need to worry. A powerful fairy  
Estella locked the king away  
and his people in prison some  
Mage "Elggah". All the fairies  
had the power to do disorient things  
nature was talking to animals  
and creating magical effects.

... old and lived ~~with~~ on his own  
right night! his ~~name~~ name is  
... they was very very lonely so  
... later he met ~~the~~ 7-8th  
that day the prince threw

... queen named  
Lily was an ~~asthera~~  
astorshingly brilliant  
fairy and she was fearless  
she decided to ~~on~~

... wanted to  
would invite his bra  
the feast in the  
the Longiver a  
water cold flame roo  
right the monster g  
and took the  
ad 1

Every night he had  
warriors to a a lar  
gest of turkey, r  
and all. In the mid  
nowhere something  
waiting for the  
god

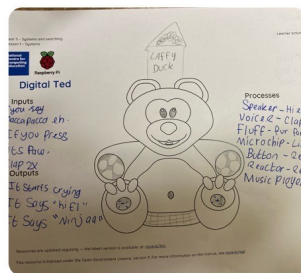

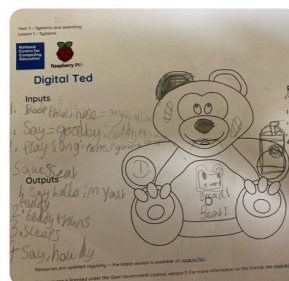

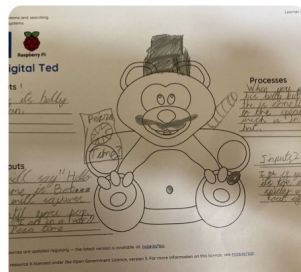

... each and every  
blakest warriors to  
where there is a po  
because of extreme h  
something <sup>was</sup> ~~was~~ forming

## Head Teacher to Home - 7th October What has happened in school this week?

This week in Angelou, the children have been learning about systems and networks within computing. The children explored a wide range of systems (from brakes to Amazon Smart lockers) then applied this knowledge into designing their own unique smart teddies with functioning inputs, processes and outputs.

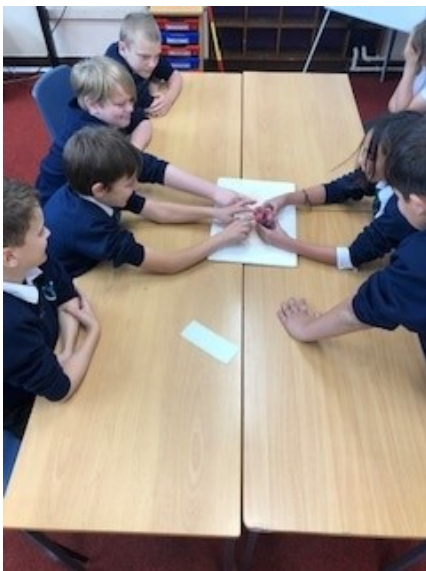

PIC-COLLAGE

## Head Teacher to Home - 7th October What has happened in school this week?

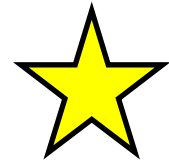

This week Miss O'Sullivan led King Class for a very exciting science lesson. As part of their project on the circulatory system, the children have been finding out about the heart. This week's lesson involved the dissection of a pig's heart. After the initial excitement and some squeamishness, the children had a close look at the arteries, veins and chambers. The children asked some amazing scientific questions. Here are some photos from the lesson.
