

Lillington Nursery and Primary School

Head Teacher to Home – 10th February What has happened in school this week?

Welcome to this week's newsletter.

Another week has flown by with everyone working hard and doing loads of exciting learning. This week's photos show the children in action.

As you can see from the photos, there has been a lot of creative learning going on. All of the foundation curriculum projects the children have been doing have art activities and design and technology projects that run alongside them.

Our assemblies have focused on this month's value - kindness - and how if everyone is kind, we'll all be happier in school and the community (adults included). Everyone was reminded in assembly this morning about how kindness can boost feelings of confidence, happiness and optimism.

Own Books (a group of local book lovers) have donated another couple of boxes of books for the children in school. The Key Stage 2 children have all chosen a book from the selection that have been donated and they should be bringing their books home today. Hopefully having more of their own books will encourage children to read even more.

Key stage 1 will be choosing their books next week.

The Lillington School P.T.F.A disco returns next week – it will be great to see the children dancing and singing together.

Enjoy your weekend and see you all on Monday.

The children in Reception have been working hard in their new office - taking messages, making phone calls and typing away on the computers. They have also all had a turn cutting up fruit to make a huge fruit salad which they then devoured for their morning snack. We had apples, pears, nectarines, kiwi and grapes. Lots of them had not tried some of these before.

Reception have a new library for children to borrow books. They can choose a book to take home, share it with someone at home and then bring it back and swap it for another one. There are books suitable for younger siblings too.

Darwin have been learning about Deciduous and Evergreen trees in Science. We went on a hunt around the school grounds to find some and the children were great at identifying them. We brought some souvenirs (twigs!) back to the classroom to compare.

What has happened in school this week?

This week in Angelou, the children planned and wrote the first half of their fictitious biographies. Their ability to combine previous learning, knowledge from our model text as well as their own vivid ideas have, so far, produced outstandingly engaging and impressive writing.

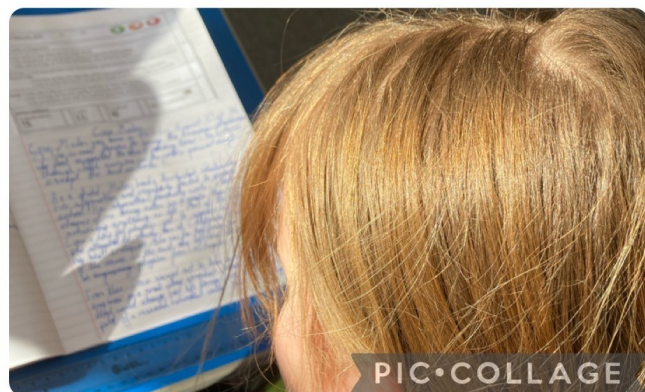

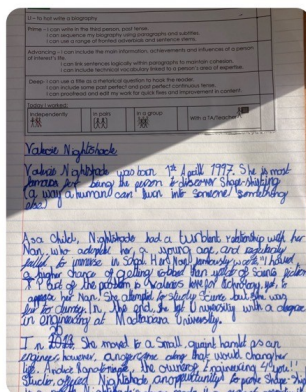

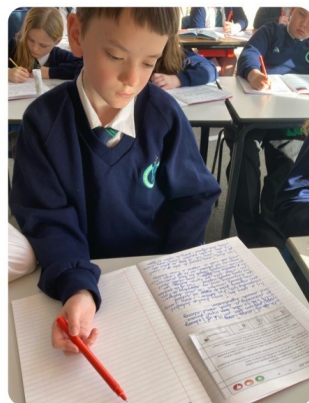

Keep it up, Angelou!

being the daughter of a Hungarian engineer who
discovered the x-ray and found a type of life
of anything you need.

As a child - a child I Anne had a
talent for mathematics with her mother
and regularly found in class.
Her mother ~~was~~ found in class.
It is more likely to be found by light
of the times get swept up by these
romantic and get trapped in a severe
romantic trap you cannot do
anything. Part of the problem
was it was love for engineering
and was entirely with her brother
she attempted to study at the
of the University of London
Despite that her best friend, she
was so lacking to the imaginative
nature of the time that she
matrices of science work did have to
on writing and finished university
with a degree in engineering.

A year that she seemed set to
take up a position as a machi
in a miniature hamlet somewhere

King Class have been very busy in maths this week. They've completed the algebra learning sessions and nearly everyone made dramatic improvements from the start of unit assessment to the end of unit assessment. Next topic: decimals. All the children have also been able to choose a book to take home and keep. Here are some photos of children working hard and showing off their new books.

LILLINGTON SCHOOL

IT'S DISCO TIME!

Thursday 16th Feb
Oak Hall

Rec & KS1 3.15pm - 4.15pm
KS2 4.30pm - 5.30pm

£1 entry

Tuckshop - suggested max amount £2

School discos are back! Could you help out at either KS1 or KS2 or both on Thursday 16th Feb - times in the advert. Please contact Lucy at chairlsptfa@gmail.com or 07514086673 if you can. We need volunteers to help (wo)man the tuck shop, supervise the disco (dancing optional) and assist with pupils arriving and leaving.

Cake Sale —Wednesday 15th February 2023. 3:15-3:25

Outside Hopper Class / Main entrance steps

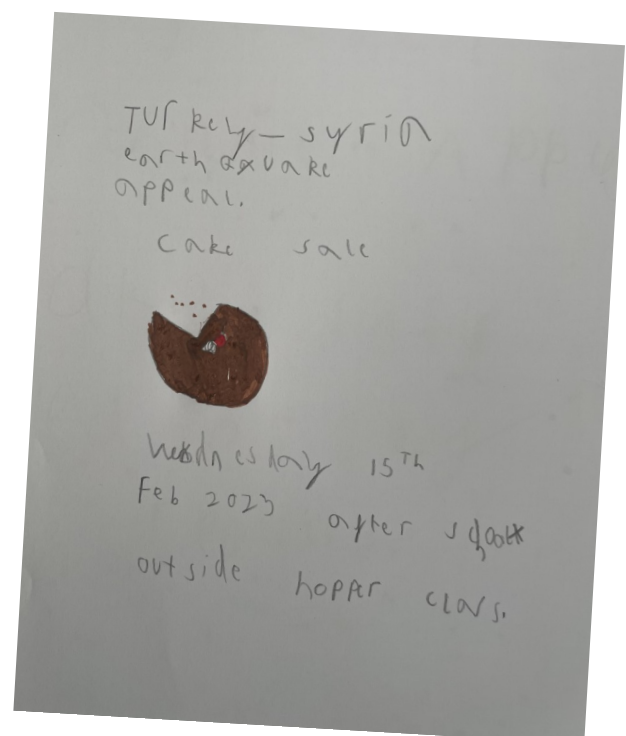

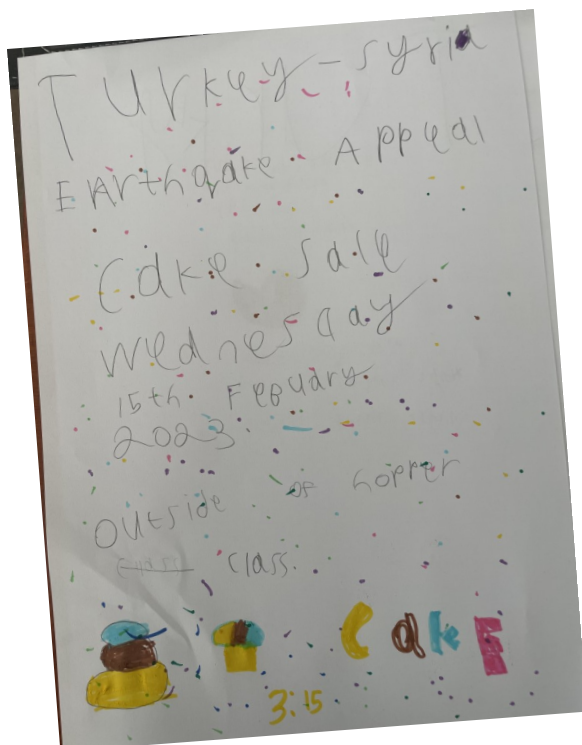

Year 4 have chosen to hold a cake sale to raise money for the
DEC TURKEY-SYRIA EARTHQUAKE APPEAL.

They have planned this all themselves.

Cakes will be available for 20p or 50p.

(Please bring exact change where possible)

We will also welcome donations of small individual cakes
(no nuts). Please give these to your class teacher by 15.2.23
