

Lillington Nursery and Primary School

Head Teacher to Home - 19 May
What has happened in school this week?

Happy Friday!

The children have enjoyed a full and busy week, the penultimate week of summer half term. As the weather has started to improve it has been wonderful to hear the children making the most of our extensive grounds and participating in learning outdoors.

Please note that Monday is school photograph day, and we will have two photographers onsite photographing the children for their end of year class photo. A lovely memento of an incredible year of learning. Please do bring your children to school in full and smart uniform.

Have a lovely weekend and we look forward to welcoming pupils back on Monday for the final week of this half term.

Best wishes,

Lillington Nursery and Primary School

Lillington Nursery and Primary School

Head Teacher to Home - 19 May IMPORTANT NOTICES

We remind all parents and carers of the importance of using access points to school in a courteous and respectful way. Grange Road is of course an area of lots of motor and pedestrian traffic and we need to ensure we are accessing school safely. Thank you for your cooperation.

Remember!
Monday is class photograph day.
Full smart uniform please.

Please read the WHIZZ notices with your children they contain lots of helpful tips and advice. [Page 12](#)

Head Teacher to Home - 19 May What has happened in Nursery this week?

Nursery have had a great week enjoying the sunshine. We have also made a tasty pasta salad to support our healthy eating topic!

Lillington Nursery and Primary School

Head Teacher to Home - 19 May What has happened in Darwin this week?

Darwin had a great time on their trip to St John's Museum this week. They got to experience what it would have been like in a Victorian classroom, do some laundry and learn about the Victorian houses and families.

Head Teacher to Home-19 May What has happened in Angelou Class this week?

This week in Angelou, the children have been turning their focus to our new science topic – *Earth and Space*.

Using only their prior knowledge, they were tasked with comparing the similarities and differences between planets, stars, solar systems and galaxies; creating representations of our solar system using only natural resources and composing a range of highly entertaining mnemonics designed to help remember the order of the planets from Mercury to Neptune.

Head Teacher to Home - 19 May What has happened in King Class this week?

On Monday, King Class had their end of SATS celebration day. As part of the celebrations, there was painting, karaoke, dancing, non-school uniform, a water fight and children could bring a teddy in for the day. It was a great way to spend the day and a fitting reward for all the efforts the children put in to their SATS.

Looking After Your WELLBEING ONLINE

We all know that taking care of our minds and bodies is essential to keep us feeling happy and healthy. The thing is, we spend so much of our time online these days that it's also important that we remember to look after ourselves in the digital world, too. Our poster has got some simple but useful tips for supporting your wellbeing while you're gaming, on social media or just using the internet.

Local support available.

Central Government recently announced a new Household Support Fund grant that is being made available to local authorities in England, to cover the period 01 April 2023 to 31 March 2024. Warwickshire County Council's Local Welfare Scheme is responsible for the administration of this one-off grant, which aims to support vulnerable Warwickshire residents most in need of financial support with food, energy and water bills.

If you think you may be eligible please do the Local Welfare Scheme.
